

Versatile, portable cart
makes life easier!

New multipurpose Utilacart™ easily hauls large, bulky loads over sand, rocks, boat docks and rough terrain. Consolidate and transport up to 100 lbs. of gear effortlessly from a distant parking lot in fewer trips.

Amazingly lightweight, strong and durable. Folds to just 10"D for compact storage. Keep one handy in your car or garage for quick access. Optional back organization pockets for beach and fishing gear. 12 lbs.

Beaches, Parks and Swimming Pools

Carry coolers, folding chairs, tote bags, beach umbrellas, toys and swim gear for the entire day. Large wheels roll smoothly over sand, rocks and grass.

Boating and Fishing

Haul food, drinks, towels, jackets, skiing, swimming, and fishing gear from the marina parking lot in just one trip to catch the early fish.

Camping and Outdoor Events

Transport bedding, tents, chairs, grills and coolers to deep woods campsites, outdoor events, concerts, fireworks displays and tailgate parties. Large wheels handle steps and all kinds of terrain.

Shopping / Errands

Shop all day in large, extended malls that are far from the parked car—or take armloads of packages to the Post Office counter in one trip.
