Spitfire™ Series

New generation, top quality scooter is lightweight and responsive to help you perform daily activities more easily. Take a seat and bring up the infinity adjustable tiller controls to precisely where you need them for the most comfortable operation of any scooter in its class. Holds up to 300 lbs weight capacity—the highest in its class! Its extra compact 19" width passes more easily through the narrowest of spaces. The quick disconnect feature lets you separate the frame and disassemble the components with ease, opening your world to all things possible!

- 300 lbs weight capacity
- Foldable, 180° swivel chair
- 9 miles estimated range
- 12° maximum incline
- 0-4 mph variable speed control
- Disassembles without tools
- Largest piece weighs only 28 lbs
- Connector-free, drop-in battery pack
- 2 Amp, offboard charging
- Anti-tip wheels for greater safety
- Foam-filled, flat-free tires
- Front basket for convenient storage

Optional Accessories: Cane, oxygen and carry bag holders

Available Colors:

Other colors available by special order

Four pieces and basket assemble/disassemble easily
