

Feeling stressed about power mobility reimbursement cuts?

*Lower your cost...
Return to profitability!*

Keep your customers happy with top quality power wheelchairs and scooters, while restoring lost profits.

You may not know us by name, but we've been making many of the mobility products that you currently buy from other companies. When it means the survival of your business, your only lower cost solution is to go direct to the real manufacturer, bypassing higher-priced middlemen who may not actually manufacture the equipment.

For more information, call Merits today!
